

Sunday Service Times: 10 AM Worship

This summer, Westminster will host our 5th Children's Choir camp the week of June 24-28. Returning are Sharon Samuels Reed as the music director and Tom Clark-Jones as assistant conductor. Ryan Rashad Reed will join us again as the visual arts instructor.

Each year we learn ways to improve the children's camp experience, as well as the overall way of running the camp. Each year we have met our goals and gone above expectations. Peoria School District will again provide the food for lunch and snacks. Bill Allen is joining us this year as the head of the kitchen, but it is the many hands that help make breakfast and lunch go smoothly. Here are several ways you can help:

- ♦ Volunteers are needed in the kitchen to put out the food in the Fellowship Hall and help with clean-up.
- ♦ Volunteers are needed to be chaperones going to the classes and accompanying children from one class to another.
- ♦ Volunteers are needed to help with the catered dinner on Friday evening before the concert.

If you are unable to do any of the above, you can:

- ♦ Attend the Friday evening dinner with the children and their families.
- ♦ Attend the children's concert at 6:00 p.m. on Friday.

If you are unable to do any of the above, you can donate money. A scholarship for a camper is \$45. Our costs include staff salaries, the Friday dinner, supplies, and gas for the church van and small bus. Coupon can be found on page 11.

There are sign-up sheets in the Narthex for the various areas we need volunteers. Won't you consider helping out an hour or two, or maybe a day or two? Anything is appreciated.

Be a part of this great Westminster outreach program for the community! ☸

SPOTLIGHT ON MISSIONS CAMP KESEM

Janet Leonard

One of our choir members is Randy Sperry. He is a student at Bradley University and the development director for the local chapter of a national organization, Camp Kesem.

Kesem is a nationwide community, driven by passionate college student leaders, that supports children through and beyond their parent's cancer. Kesem is the largest national organization dedicated to supporting children impacted by a parent's cancer, at no cost to families. Their innovative and fun-filled programs provide children with peers who understand their unique needs and create long-lasting impact.

Across the United States local college chapters raise dollars to provide camps for children who have a parent with cancer. Initiated at Stanford University in 2000, thousands of children have benefitted greatly from attending a camp. Last fall Randy came and asked for a donation to the local chapter at Bradley University. Session voted to use discretionary mission funds to help this valuable cause. For more information about Camp Kesem, please go to: www.campkesem.org ☸

THANK YOU

Steve & Valerie Sager

The Sager Family would like to thank the members of the Westminster Presbyterian Church for your prayers, cards, and memorials at the passing of Bernard Louis Sager. ☸

We hope you will start finding treasure in your house

WESTMARK FOOD PANTRY

Elizabeth Richmond

During the month of April, we provided food to 1,094 individuals. The partnership we have with St Mark's Church creates an amazing opportunity to help those that might otherwise be hungry. This makes for lots of work for our volunteers but it is great to help hungry, grateful folks.

HOW CAN I HELP?

Elizabeth Richmond

Come help unload deliveries; every first and third Tuesday, June 4 and 18, at 11:20 a.m., Thursday, June 13, at 1:00, and the fourth Thursday, June 27, at 11 a.m. We also can use some help filling in for our regular volunteers on Monday morning. Questions? Contact Elizabeth Richmond or the Church office.

UNWANTED GLASSES

Elizabeth Richmond

Thanks to the generosity of Westminster members we donated 58 pairs of eyeglasses and 1 hearing aid to the Lions Club. The Lions Club distributes donated glasses and hearing aids all over the United States and the world to needy individuals. Thanks for your donations that help the world see better.

If you have more glasses to donate, or hearing aids, or cell phones, please leave them in the coat room in the hanging donation boxes.

SESSION NOTES

From the April 9 Meeting

Respectfully,
Jim Burnham, Clerk of Session

If you have not already noticed, you should take a look at the pillars in front of main entrance to the church. They have been resurfaced and painted, and they look much better than they did before. Also, take a moment to look at the work that has been done to the planter near the northeast corner of the Parish House. Unless you have been paying close attention, you may not have noticed how much these two areas needed improvement.

We would like to call your attention to the number of outside organizations that request the use of our facilities. While the Parish House, especially, may seem underused, we often receive inquiries about renting space in our buildings or parking lots. The Session is in the process of deciding who should be allowed to use our facilities and what the cost for that should be.

The Session will purchase two-way radios to be used by the ushers for emergency communications. Also, in the interest of safety, CPR training will be offered again in the near future. Fire and tornado drills have been discussed as a possibility.

An opportunity for Christian Education is being planned to start in September. The details will be available soon.

One thousand ninety-four people were served by the food pantry in the past month.

WICC-Moss Avenue Sale continued from page 3 . . .

that you no longer need that would be great items to sell at the Moss Avenue sale. To manage our limited storage space and get the most good from donations, we may donate some items that one of our mission partners could get better use from. If you have questions, please ask Elizabeth Richmond (309-697-9720) about this. ☸

TAIJI IN THE CITY

Donna Sturm

We invite you to join us for our summer session of "Taiji in the City." Beginning June 5 to August 7 we incorporate our practice outdoors when possible. The Monday and Wednesday classes will be combined, and Wednesday at 6:00 pm has been selected as our summer evening class. This is a 9-week session with the July Fourth week off.

The first class will be held in Fellowship Hall with subsequent classes in outdoor locations. At this first class, a schedule will be shared and it can also be found on our Facebook page. Outdoor classes will default to Fellowship Hall if temperatures exceed 90 degrees or in case of rain.

Taiji offers so many health and relaxation benefits. The opportunity to practice outdoors enhances our experience even more! To do the movements in the natural environment with the beauty of swaying trees and gentle breezes magnifies its benefits.

We will resume classes on Monday and Wednesdays after the Labor Weekend. We hope to see you in class!

Call or text if you have questions. Donna (309-303-3631) and Terrisa (309-472-4119). ☸

WATER STEP

Any and all new and used dry shoes, including flip-flops, sandals, tennis shoes, and more can be collected, and they will be donated to WaterStep with several outcomes. The shoes are sold to an exporter, with WaterStep using part of the profits to fund water treatment systems in third-world countries. Of those donated shoes, usable shoes will be sold by local merchants in poorer regions of the world. The funds help these merchants provide a sustainable living for their families. Additionally, recipients of these shoes will be protected from abrasions, parasites and mites in tandem with hundreds of tons in landfill waste being eliminated.

Final Thoughts

Since we began this program in 2012, we've collected nearly 100,000 pairs of shoes. While other viable shoe collection efforts exist in this area, collecting shoes for WaterStep not only provides shoes for those in need but provides funding for safe drinking water projects all over the world - a winning combination!

What Can You Do?

Safe drinking water shouldn't be a luxury. We hope you'll join with us in our efforts to end the water crisis. Westminster Presbyterian Church has placed a drop-off box in the Narthex. Westminster will be collecting your shoes through the end of August. With your cooperation, we are helping those in need, and we are helping the earth. ☸

Take a Step to End Thirst

Your shoe donation will help WaterStep fund life-saving water projects all over the world.

THE PENTECOST OFFERING

BUILDING A LIFE OF FAITH

Presbyterian Pentecost Blog/Newsletter

*"O God, from my youth you have taught me,
and I still proclaim your wondrous deeds."*

~ Psalm 71:17

The Pentecost Offering unites us in a churchwide effort to support young people in Christ and inspire them to share their faith, ideas, and unique gifts with the church and the world.

Each year on Pentecost Sunday, we celebrate the gift of the Holy Spirit and the birthday of the church. The Holy Spirit remains with us still, connecting us with the church of the past, continuing to inspire the church of today, and *pointing us to the church of the future*.

Studies show that a foundation of faith established during childhood through young adulthood, helps ensure lifelong faith and service. Psalm 71 testifies to this same truth. Verse 17 says "O God, from my youth you have taught me, and I still proclaim your wondrous deeds." The patterns and lessons established during these formative years continue to bear fruit throughout a person's life.

These lessons might be taught through a congregation's commitment to *Educate a Child, Transform the World* in ministries that shape a child's academic achievement, setting them on a path toward a stable future. They might be taught

through one of the youth events sponsored by *Ministries with Youth* at the national church that brings together young people from all over the country to share their experiences of faith with one another, and learn how their faith can help them address challenges all over the world. Or our young adults may be guided through a year of intentional service where they discern God's call upon their lives by our *Young Adult Volunteer Program*.

And there is more -- Presbyterian congregations are finding new ways to minister to children at-risk in their own communities. General Assembly programs are advocating for children and developing youth and young adult leaders.

By giving to the Pentecost Offering, one of the four Special Offerings of the Presbyterian Church (U.S.A.), we are nurturing the faith of those who are the church to come; children, youth, and young adults. We invite your congregation to join with the worldwide church in building for our future, in building individual lives of faith. Won't you join us? If we all do a little, it adds up to a lot.

40% Stays with Westminster Church

To develop and support programs for young people in our own church and community.

25% Supports Young Adult Volunteers

Serving in communities around the world, and growing as leaders through transformative Christian service.

25% supports Ministries with Youth

To help guide our youth by uniting them in Christ and lifting them up as leaders and messengers of God's word. ☸

The Pastor's Corner

Happening in June...

This month is going to be a busy one for me. On Saturday, June 1, I will begin my journey to Denmark with my son, Will. Tom will be holding the fort here in Peoria. Traveling across "The Pond" is not his thing. Will has never been abroad and I have never been to Scandinavia so it will be adventure for us. Why Denmark? I have a cousin who lives there with his two children. We are having a family reunion of sorts. My 80-year-old aunt who has scarcely been out of Western North Carolina for more than 50 years, got the courage to go over for my cousin's son's confirmation. She has a great role model in that her father, the "Granddaddy Winkler" I have often told stories about, traveled to Denmark and nearby countries twice, at ages 90 and 92! My cousin's son will be confirmed at the 12th century Roskilde Cathedral. Tom will miss seeing one of the greatest organs in the world.

I will return to Peoria June 13. Meanwhile, Rev. Chip Roland, a Presbyterian chaplain at OSF, will lead Westminster in worship. He will also be making pastoral visits. I have served on the Committee on Ministry (COM) for the Presbytery of Great Rivers with Chip for four years. He is Westminster's Ministry Partner from COM. You may remember him from the time he preached at Westminster last September.

When I return, I will be busy preparing for Westminster's 5th Children's Choir Camp to be held June 24-28. Mary Lee has already been hard at work. She created, and Dorothy Crozier helped put together and send out, hundreds of brochures to the Peoria Public Schools, past campers, places of business, churches etc. For your part, please tell family members, neighbors and friends who have children and grandchildren: put up posters; volunteer to work that week, plan to attend the June 28 dinner and concert; and, donate money. We need to raise around \$4,000 in tuition payments

and donations. Many of the children who attend are given scholarships. This has been a great outreach into the community for Westminster!

With Dorothy Crozier gone back to California to be near her son and his young family, Nicole King has been hired as our office assistant. Nicole is a young woman who brings strong computer and office skills and a passion for serving others. She has her assistant teaching certificate and is working on an additional certification for assisting in classes for children with special needs. She is taking her third American Sign Language class this summer. Please welcome her to the Westminster family, if you get a chance.

Hope you are enjoying your first month of summer. Keep your tornado kit ready and pray none of us has to use it! ☼

Blessings!

Pastor Denise
