CAMPUS CLEAN-UP

Mary Lee

The spring church clean-up day is April 24 from 9:00 a.m. to noon. This is a great time to come out in fellowship with others to 'shine up' the church and make it a more welcoming place for all.

There are many jobs large and small. We plan to rake and remove leaves, debris, and limbs that have fallen and lay down mulch. Please bring your gloves, leaf blowers, rakes, branch clippers, other gardening tools. We will provide the donuts and coffee. Don't forget your masks! We will observe social distancing.

Remember, many hands make light work! Please volunteer your time and talents, if possible. Hope to see everyone.

SESSION NOTES

Jim Burnham, Clerk of Session

*Notes from the Session Meeting
that was held on
March 9, 2021*

The Westminster Session held its regular monthly meeting via Zoom on Tuesday, March 9. For the most part, Session meetings consist of reports from individuals and committees that are charged with conducting the business of the church.

The Session keeps track of our membership statistics, our financial situation, the condition of our buildings and property, the various missions that we engage in and support, as well as other details of church life. Worship services need to be scheduled and planned, equipment has to be updated, and bills need to be paid.

The Session makes decisions large and small ranging from who can sign checks to when can the church reopen for in-person services.

Details from the last meeting include:

- The session reaffirmed the decision to reopen the church for in-person services on Palm Sunday.

- It was decided to continue online services even after live services resume.
- The Latchkey Program for Whittier School students has ended since District 150 has resumed its regular schedule.
- The food pantry served 521 individuals representing 143 families during the month of February. This lower-than-expected number is probably due to bad weather.
- On April 24 (tentative date) the Bradley Homeowners Association will hold a neighborhood cleanup day. The church will allow a large dumpster to be placed on our parking lot for use on that day. We will try to schedule a cleanup day for ourselves at the same time. It may be possible to enlist the help of Bradley student volunteers.
- Elder Brian Hakes is researching the possibility of having a historical marker placed at the church.

The next Session meeting will be Wednesday, April 14 at 6:30 p.m. via Zoom.

FAILED ATTEMPTS

Jesus told his disciples that he must go to Jerusalem, where he would be killed and on the third day rise. There had been previous attempts on his life. At less than two years of age, the Saviour escaped death at the hands of King Herod (Matthew 2:13). When Jesus revealed himself as Messiah in Nazareth, the townspeople tried unsuccessfully to destroy him (Luke 4:29-30). As Jesus' popularity increased, the religious leaders plotted all the more seriously to put him to death. "So they were seeking to arrest him, but no one laid a hand on him, because his hour had not yet come" (John 7:30).

REGISTER FOR WORSHIP

Mary Lee

Please register for each worship service that you plan on attending.

We are excited to be able to welcome in-person worshippers in a safe and sacredly-distanced capacity beginning Sunday, March 28, which is also Palm Sunday.

The CDC says once vaccinated, a person cannot pass the disease to another. So we are returning to worship in the Sanctuary on Palm Sunday, [pre-registrations required](#), while still being very careful.

With your masks on, you will enter the church doors from Malvern Lane. Once in the Narthex you'll need to stop and check in, give your offering and gather your communion, all in the Narthex. Then there will be an usher to greet you at the Sanctuary doors to help you to your pew.

Once in the socially distanced Sanctuary, we will have a live worship experience including masked singing. We will continue to live-stream the service for those who wish to continue to join us online on [YouTube](#) or the [Westminster website](#).

If you are comfortable joining us in-person, come on in, but remember **register first**. We are excited to see everyone. But if you aren't ready, or are unable to attend worship in-person, that is okay too; join us in spirit online.

This has been a long trying time, but hopefully things are beginning to get back to normal or what will be the new normal. **Thank you**, for your patience as so many of us have had to learn new skills to try to keep up with running the office, services being recorded and live streamed and new ways of keeping up with communications, including web development. And we thank you for all the new things you have had to learn as well along the way. I guess that just goes to show, we are never too old to learn.
