I would like to share with the church that one of our new parents that started with WICC in the new year is from the country of Ecuador. The teen parent, her daughter, and the grandfather, all crossed the border in Texas in September 2023. The teen parent's name is Eleannys and her daughter's name is Dyana. The little girl, Dyana, was hospitalized for three days in Texas due to malnutrition and dehydration, as it was a very hard journey here to America. Dyana turned 2 years old on December 13, 2023. Eleannys only speaks Spanish so I am working on my Spanish but use my phone translator when needed. Eleannys attends school at Manual high school. Please keep them in your prayers.

Thank you,

Valerie Sager
WICC Director
