Join us on Tuesday, September 8th!

Come be a part of this warm and inspiring place for new, developing, and experienced performers to play original music and favorite covers.

All are welcome to take the stage or relax and listen.

Refreshments will be provided.

Painting an Intergenerational Bridge

Art is bringing generations together at Westminster Community Center! Using artwork crafted by Megan Couri, this collaborative mural project features painters from the Graceland Center for Purposeful Aging, University of Illinois College of Medicine Peoria medical students, and Westminster's Connected Families – Family Support Group.

It's a wonderful example of how art can connect generations and bring our community together, and we can't wait to see it finished next week!
